ARRA Alerts

As you know, you often receive ARRA Alerts asking you to contact your Representative or Senators on a critical piece of legislation or an agency nomination or to attend an agency meeting in your area. **Your participation is so critical in moving the ARRA agenda forward at the federal level.** I cannot emphasize that enough. **We are on Capitol Hill on a weekly basis and many times on a daily basis. What we do is important but only if you are reaching out to your elected representatives as well.** For those of you who are actively involved in responding to ARRA Alerts, we say "thank you." **For those of you who have not yet responded to one of our appeals, please have a look the next time you receive an email notice and go to a public meeting in your area or contact your Member of Congress.** We try to make easy, but in the end, **you are the one making the difference, a very big difference!**

Sincerely,

Larry E. Smith Executive Director
